

## Our Values

- **Quality** – We provide evidence based, person centered, lifelong care.
- **Community Health** – We promote inclusive collaboration to improve the health of our communities.
- **Shared Responsibility** – We seek to identify and address problems with empathy and accountability.
- **Stewardship** – We invest our various resources for maximum impact and sustainability.
- **Trust** – We respect and advocate for each other with honesty and kindness.
- **Innovation** – We utilize creativity and data to drive decision-making.
- **Opportunity** – We believe everyone should have equal access to resources that promote a meaningful life.

## Service Area

NorthLakes provides access to health care services in rural communities throughout northern Wisconsin. The services we provide in each community vary based on that specific community's need, the services currently available, and how we can work with existing partners.

We strive to actively remove barriers to wellness by providing quality, integrated services to as many individuals as possible.

## Community Outreach

We aim to also reach people beyond our clinics, offering counseling services in schools, participating in regional wellness initiatives, and conducting dental outreach in youth homes, WIC offices, schools, and nursing homes.

## Becoming A Patient

NorthLakes strives to see anyone who may walk through our doors.

We are committed to providing everyone in the communities we serve with quality care, while prioritizing folks with limited access. If we are unable to assist you, our team is dedicated to finding a partner who can.

If you have any questions about our services, or to schedule an appointment, please call 888.834.4551.

## We've Got You Covered

Everyone deserves comprehensive healthcare. As part of our commitment to serving all communities, NorthLakes accepts a wide range of insurance options, such as private insurance, Medicaid, or no insurance at all. A Sliding Fee Scale is also offered, based on family income and household size. It is designed to reduce costs for many of our services.
